KLOTZ ASSOCIATES WELCOMES NEW TEAM MEMBER
HERBERT E. BICKLEY, P.E.

Lukfin—Klotz Associates is proud to announce the selection of Herbert E. Bickley, P.E., as the firm’s new regional manager in Lufkin. Bickley brings more than 25 years of experience as a civil engineer in both the public and private sectors.

Previously, Bickley worked for the Texas Department of Transportation for more than 30 years. While at the TxDOT, he supervised traffic-engineering personnel in the Lufkin District, and quickly became the assistant director of operations for the district. He later served briefly as an area engineer for the Polk County and San Jacinto County region. Bickley then returned to Lufkin to lead the DOT’s Transportation Operations District, consisting of nine counties in the region. In that capacity, he served as the chief liaison between engineers, public safety representatives, government entities and the general public.

D. Wayne, Klotz, P.E., D.WRE, and president of Klotz Associates said “Herbert will be a great asset to our firm’s work in the Lufkin region. His experience and the relationships he has built over the course of his career will serve our clients well.”
Bickley obtained an associate's degree in business administration from Angelina College before receiving bachelor's degrees in computer science and civil engineering from Texas A&M University. He is a licensed professional engineer in the state of Texas.

Klotz Associates has been recognized by the ENR Top 500 List of Best Design Firms in the nation for the past several years. With a staff of 120 professionals, the firm provides transportation, traffic, ITS, water and sewer, aviation, drainage, land development, environmental and consulting engineering service. For more information, call 281-589-7257 or visit www.klotz.com.
