Move In Safely!  Sunday, August 23, 2015

The Department of Residence Life at Texas A&M is eagerly awaiting your arrival to On-Campus Housing!

Move-In Assistance Day is Sunday, August 23rd from 8:00 am until 2:00pm.

VOLUNTEERS

Students, staff, faculty, administrators and community members volunteer to assist new students and their families with move-in. You will recognize them by their violet t-shirts with the ATM logo on them. There are 400+ volunteers across the campus. Please allow them to share the Aggie spirit with you by helping you move in.

This day is always a hot one, so we want to encourage extra cautions. Several tents with volunteers are located on both the north side, south side of campus, and White Creek to assist with information or directions and to provide water.

HYDRATION

✓ Drink plenty of fluids even if you do not feel thirsty and avoid caffeine and alcohol
✓ PepsiCo is providing bottled water (complimentary) at on campus locations- on north, south & White Creek
✓ Apply sunscreen—SPF 30 or higher
✓ Take frequent breaks in the shade, or in the air conditioned buildings/halls

NOURISHMENT  University Dining will be open as follows on that Sunday:

North side:
- Sbisa Dining Center 8:00am-2:00pm & 5:00pm-8:00pm
- Starbucks at Hullabaloo 8:00am-5:00pm
- Underground Food Court
- Papa John’s 11:00am-8:00pm
- Smoothie King 9:00am-4:00pm
- Aggie Express Hullabaloo 8:00am-9:00pm

South side:
- Duncan 11:00am-1:00pm
- Aggie Express at the Pavilion 9:00am-10:00pm
- MSC:
  - Chick-N-Grill 3:00pm-9:00pm
  - Rev’s American Grill 12:00pm-10:00pm
  - Panda Express 11:00am-10:00pm
- West Campus:
  - Smoothie King 1:00pm-7:00pm

EXERTION

✓ Pace yourself and utilize move-in assistance volunteers to help
✓ Utilize move-in volunteers wearing blue shirts on Sunday from 8:00am to 2:00pm
✓ There will be areas that you can access to off-load and then move to the parking garages
✓ Some dollies will be available for use with volunteers.
✓ Reminder: Elevators are only in the newest or newly renovated halls (Hullabaloo Hall and White Creek).

EMERGENCY

Be aware of the signs of heat exhaustion:
✓ Cool, moist, pale or flushed skin; heavy sweating; Headache, nausea, dizziness, weakness
✓ Call 911 if there is vomiting or loss of consciousness

Texas A&M University EMS will have EMT’s stationed on each the north, south, and west (White Creek) areas.

RECYCLING: Help us make Sustainability an Aggie tradition

✓ Cardboard recycling bins are available for your convenience. (Please break down boxes and bring to recycling)
✓ Plastic bottle recycling receptacles will be available across the campus

We hope your move-in is a great start to your Aggie on-campus experience. Thanks and Gig ‘Em!
