Polar Bears of Churchill

A 6-Day Expedition to the Polar Bear Capital of the World
Howdy, Aggi!

During this six-day journey to remote Churchill, Manitoba, it is possible to observe polar bears interacting and playing from a custom-designed Arctic Crawler. The quality guidance of a naturalist Orbridge Expedition Leader and exclusive educational experiences distinguish this program, including expert presentations from Assiniboine Park Zoo and Churchill’s Northern Studies Centre.

Our rate for Traveling Aggies guests on this departure represents a significant savings (more than $1,000 per couple) over that of non-affiliated guests, so be certain to reserve your spot today—and share this brochure with friends and family who may be interested in traveling with you! Please reserve your space online at http://texas-am.orbridge.com, by calling (800) 633-7514 or by returning the enclosed reservation form.

An Expedition to “the Polar Bear Capital of the World”

Much like the bears themselves, visitors make their way to Churchill each fall when temperatures drop, brimming with anticipation. The reward: experiences of a lifetime.

As polar bears await the formation of the arctic sea ice, they descend upon the tiny seaport town of Churchill, forming a celebration—a polar bear gathering—and in this case, the largest congregation of polar bears in the world. As they wait for the Hudson Bay to freeze so they can begin their hunt for ringed and fur seal, it is possible to observe, photograph, and learn about the “Kings of the North.”

On this wildlife expedition, surrounded by experts and featuring up-close experiences, be part of an extraordinary natural phenomenon and unforgettable adventure.

“This was absolutely the experience of a lifetime! And as this was on my bucket list, my expectations were quite high, yet greatly exceeded.”

Lazy Bear Lodge—A Pioneer’s Dream
The best accommodations in Churchill.

A log builder in a previous career, Wally Daudrich built the Lazy Bear Lodge himself, literally. Drawn to the area by its sense of freedom, Wally and a partner dragged fire-killed logs from the forest by snowmobile, crafting them first into a small café, then a small lodge, and finally the two-story, 15,000-square-foot, modern Lazy Bear Lodge of today.

Experience the warm hospitality of Wally and his staff, and dine on fabulous northern cuisine, all in the stunning property he has built. You can see the gnarled and knotted log timbers from the northern Boreal forest used to make both the lodge and the furniture. It’s the perfect combination of remote northern living with all the cozy comforts and conveniences travelers want.

Wally estimates he has helped more than 20,000 people see their first polar bear in his 35 years of guiding. In addition to the fall polar bears tours, Wally also provides guided treks by both land and sea to observe polar bears and beluga whales (plus a vast multitude of other wildlife) during the brief arctic summer when the ice melts. His custom-designed Arctic Crawlers and his water vessel, the Sam Hearne, all help visitors interact with the diverse array of wildlife the area supports.
The Arctic Crawler
A rugged all-terrain vehicle.

Get up-close access to the wildlife of the tundra aboard this specially-designed trekking vehicle. The Arctic Crawler features a propane heater, comfortable seating, on-board facilities with flush toilet, large windows that lower for better viewing, plus a spacious, fully-grated outside rear deck for optimal photography opportunities—including nose to nose visits with the locals. It really is the perfect way to view Churchill’s magnificent creatures in person.

And with the expertise of the driver and your Orbridge Expedition Leader, you will see all the stunning natural beauty and diverse wildlife the tundra of the Churchill Wildlife Management Area has to offer.

Your two Arctic Crawler Experiences include a hot lunch with beverages, snacks and expert in-depth commentary from your Orbridge Expedition Leader and Lazy Bear Lodge expert guide.

Your Orbridge Expedition Leader
Whether Marylou, Kent, or another experienced naturalist, your Expedition Leader will add exceptional depth of expertise and warm hospitality to each day’s adventures.

In addition to her practice as experienced guide, naturalist, and summertime park ranger in Alaska’s Glacier Bay National Park, Marylou lectures worldwide on a number of topics from the bears and wolves of the Arctic to the leopard seals and whales of the Antarctic. Together, watch and learn about the drama and beauty of Churchill and its wild inhabitants.

Kent has led national park tours as a park ranger since 1984. Having worked with the National Park Service, U.S. Forest Service, U.S. Fish and Wildlife Service, Bureau of Land Management, and the Colorado Division of Wildlife, he brings to our expedition a lifetime’s wealth of knowledge about North America’s parks, preserves, and wildlife.
